KITCHEN COMPONENTS

Components For Your Perfect Kitchen...

- CARCASS
- SHUTTERS
- HARDWARE & MECHANISM
- SKIRTING
- ACCESSORIES
- APPLIANCES

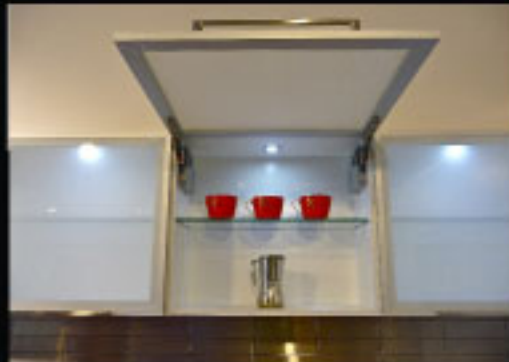

CARCASS

The carcass forms the basic structure of the kitchen and is responsible for the structural part of the kitchen. It usually comes in MDF –Marine. We, at home Allure, provide you the perfect solution which includes good quality products along with accurate consultation in terms of what kind of carcass would best suit your kitchen needs, structure and space.

SHUTTERS

Shutters are the visible part of the kitchen. There is a wide range of design and finishes are available to choose from. The base material used is MDF and one can choose from an array of finishes like PVC, lacquered, high gloss lacquered, HPL, melamine, Heat Transfer Paint, Veneer, Pet etc.

HARDWARE & MECHANISM

At home Allure, we're associated with the best hardware manufacturers from across the globe and also provide best-in-class mechanisms to make our kitchen functional and of fine quality which lasts for years.

SKIRTING

The carcass forms the basic structure of the kitchen and is responsible for the structural part of the kitchen. It usually comes in MDF –Marine. We, at home Allure, provide you the perfect solution which includes good quality products along with accurate consultation in terms of what kind of skirting would best suit your kitchen needs, structure and space.

ACCESSORIES

Accessories provide brilliant functionality in a modular kitchen. Use of accessories along with specialized hardware can provide a comfortable experience in a modern kitchen. And with at home Allure's promise of quality products, you need not worry about the finish and longevity of the product.

APPLIANCES

A modern kitchen goes beyond the basic components like a stove, a sink, etc. Today, what people are cooking has drastically changed and it is but apt for the way they cook. We now offer a range of appliances especially made for new age kitchens like Cooking Hoods, Hobs, Cooktops, Dish Washers, Bar-be-que Grills, Built in Microwave Ovens, Built in Ovens which not only provide extra ordinary functions, but also a streamlined look in your kitchen.
